GIVING TO ST PETER'S OADBY

We are the people of God on mission to Oadby - a community where everybody belongs, and everybody contributes. Part of your contribution is financial giving.

PRINCIPLE OF GIVING

Giving is part of our worship, and our motivation for generosity is God's goodness to us. We give in response to God's radical generosity to us in giving us His Son, and the only response to this radical generosity, is radical generosity ourselves. Jesus was very clear that it's not possible to serve both God and money; we must make sure that God is on the throne of our hearts, not money. One temperature test for this is our attitude towards giving and how willing we are to be generous.

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. 2 Cor 9:7

GIVING TO ST PETER'S

Your giving contributes directly to the mission & ministry of St Peter's. It enables everything we do at St Peter's, including Sunday services, work with families, children, and young people, and Alpha.

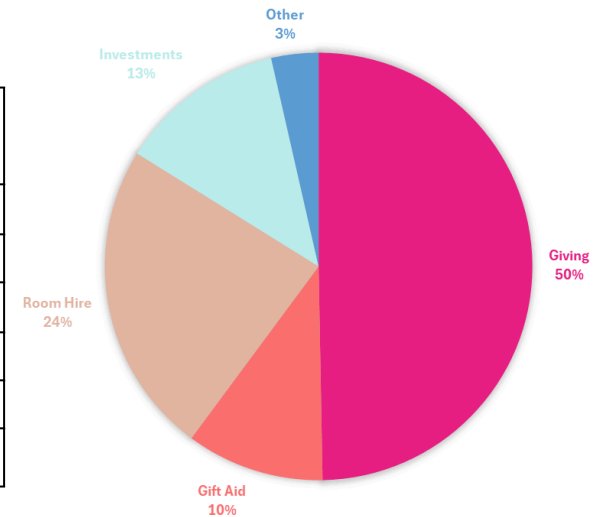

All that happens at St Peter's is made possible by those who pray, serve, and give to the work of the church. We could not do it without you. Thank you so much!

As you read about St Peter's financial position, please prayerfully consider what this means for you, and what you can give to help make our God-given vision produce fruit in the coming year.
